# Our Chairman for 2024

Hello and welcome to yet another season of great events for us to all enjoy. As I move into my third year as your Mid Anglia Chairman, I can honestly say it has been a real honour working alongside such a dedicated team of people and that is your committee.

Unfortunately, we lost a few members of the committee at this year's AGM, so I thank you all for your continued support and dedication over the years.

We have, however, gained new committee members and I very much look forward to working with them over the next year.

We do also have a few spare positions on the committee this year, so if you want to make a difference, then please make yourself know, it would be really appreciated.

It does make me very sad to say that we have lost our Junior Committee this year due to lack of numbers, so if any juniors would like to come forward for Committee, then please let us know.

I also need to say a massive thank you to Julia, my wife, for all her continued support and patience over the last two years.

I would like to also thank all the event marshals for last year, and of course all the event marshals for this year's exciting program. Without the marshals, it would be a very boring Centre, so thanks again to you all for making it a very happy Centre.

If any member is thinking of running their own event, but not sure how to go about it, don't hold back, speak to a member of the committee or another marshal and they will point you in the right direction, new marshals are always very welcome.

My chairman's event this year didn't quite go to plan, as I ended up in hospital just a week before the event and came home the day before the start, but that didn't affect anything, thanks to a fantastic group of people, who just took over the whole event and made it happen. I really can't thank them enough, so thanks again John & Barbara Rutter and Anne and Mark Triggs and all the others that helped over the weekend.

Julia and I attended several events last year, I can honestly say that we enjoyed every single one of them, our marshals really do put in so much effort to make our event program so exciting and enjoyable, so thank you.

I won't keep going on and bore you all, but I would like to say a massive thank you to everyone who attends our events and supports our marshals week in week out. Because without the attendees the events would just get cancelled.

All that leaves me to say is, we hope you all enjoy this coming season of events in the glorious sunshine I have ordered for you all.

Stay safe and see you soon.

# Events Information & Procedure

The following pages give details of events for the 2024 Events Season.

Your Centre Officers and Committee extend a cordial invitation to all members, old and new, to these events.

At each event, the Centre Chairman or his deputy will greet first time attendees and visitors from other Centres. Members who are attending their first weekend/event are asked to indicate this on their booking slip, so those Events Marshals may cater for their needs.

Members wishing to attend socials MUST indicate this on their booking slip otherwise they will be disappointed if not included.

To ensure you receive your events plaque, the booking slip, along with any deposit stipulated, must be in the possession of the Event Marshal before the date stated in this Events book.

Please note, your booking will NOT be acknowledged unless the Event/Weekend is full.

Payment by cheque is acceptable and should be made payable to THE CARAVAN AND MOTORHOME CLUB, MID ANGLIA CENTRE. Card payment via SumUp is also usually available.

If for any reason you are unable to attend an event/weekend that you have booked on, you must let the Marshal know. [See Centre Rule 6.](#)

Further supplies of event/weekend booking slips are available from the Events Secretary, or alternatively you can use the online booking forms on the Mid-Anglia web site.

Our grateful thanks go to all the Landowners, Event Marshals and Advertisers, without their help we could not produce this program of events. Please mention this Events Book when replying to Advertisements.

## **Alcohol - Know Your Limits – Some interesting facts.....**

One unit is 10 ml of pure alcohol - the amount of alcohol the average adult can process within an hour. This means that if the average adult drinks a drink with one unit of alcohol in it, within an hour there should in theory be no alcohol left in their bloodstream, but that length of time could differ depending on a person's body size.

Some ales have an alcohol content of 3.5%, but stronger continental lagers can be 5% ABV, or even 6%, this means that just one pint of strong lager can equate to more than three units of alcohol.

Most wines are between 12 and 14%, and you may opt for a large glass, but a large measure is 250ml - which is one third of a bottle. This can be nearly three units of alcohol or more in just one glass. So if you have just two or three drinks, you could easily consume a whole bottle of wine - and almost three times the daily unit guidelines – without even realizing it.

Think before you drink...

# THE ANGLIA REGION

There are 10 Divisions and Regions in the country each with their own constitution which is approved by the Club. Each Region has its own council which has the responsibility of taking matters of Club or Centre interest to Club Council which in turn advises the Executive Committee as to the directions the Club should take, fosters Club interests to its members who live in the region and provides a forum to discuss and solve local problems at regional level.

The region holds 4 council meetings a year and those meetings will share information to all the delegates which include 2 representatives from each Centre and three members who are not affiliated to a Centre.

The Region is also a good method of Centres gaining the ear of those that make decisions about the Club's future. We need our Centres to be heard and to be able to enjoy our events as we do now.

Your Centre representative for the region can make a difference for your Centre, by attending the Regional meetings. It is a gateway to make sure your voice is heard via your regional officers. Please support your Anglia Region and make sure we can continue to do what we enjoy.

To promote caravanning in the region and to encourage members to join Centres the Region will usually hold a forum in January, a question time event in April and one other event of a social nature accompanied by a rally e.g., the steam train ride and meal, the barge sailing and meal and other such experiences.

The Region does not hold a certificate to enable them to book their own venues, so Centres are requested to do so on behalf of the Region.

The marshals for those events can be from the Centre or they can be from the regional officers who are all currently Centre members.

# RUNNING A MID ANGLIA EVENT

Running an Event is enjoyable (regardless of what you have heard!), so why not give it a try for next year. Events do not run themselves, so we should not rely on someone else, take your turn and you never know – you might just like it!

**Hopefully, these simple steps will help you on your way....So Good Luck & Thank**
